DEPARTMENT OF HEALTH AND HUMAN SERVICES
HEALTH CARE FINANCING ADMINISTRATION

ATTACHMENT 1: 1999 SHIP GRANT TERMS AND CONDITIONS**Reporting:**

1. The State must semi-annually submit a report to the HCFA grants office that includes information contained on the National Reporting Form (NPR). These reports will be filled out according to instructions and contain all the data requested on the form unless special arrangements are agreed to by the project officer or designee. The reporting periods for the bi-annual reports are September 28-March 31, and April 1-September 27. A one time semi-annual report for the period September 28, 2000 through March 15, 2001 will also be required for this grant period. Semi-annual reports are due sixty days after the conclusion of the reporting period. The HCFA Project Officer, or designee, will be available to the State awardee for technical consultation on completing the semi-annual reports. The original report will be sent to Marian Webb in HCFA's Acquisitions and Grants Group; copies will be sent to the Project Officer, the HCFA Regional Office, and the SHIP Resource Center.
2. The State shall submit (1) a letter of acceptance in which the State agrees to these terms and conditions of the grant, and (2) a revised budget to reflect the award amount within 30 days of the date of the award letter.
3. The State shall submit a Financial Status Report (SF - 269A) to the HCFA Grants Officer and a copy to the HCFA Project Officer on a semi-annual basis. The reporting periods for these bi-annual reports are October 1-March 31, and April 1-September 30. A one time semi-annual report for the period September 29, 2000 through March 15, 2001 will also be required for this period. Bi-annual reports are due thirty days after the conclusion of the reporting period. The original report will be sent to Marian Webb in HCFA's Acquisitions and Grants Group; copies will be sent to the Project Officer.
4. State awardees will send to the Project Officer copies of all publications, in-take forms, training materials, and unsigned samples of forms used or signed by counselors.
5. At any phase of the project, including at the project's conclusion, the awardee, if so requested by the project officer, must deliver to HCFA any materials, systems, or other items developed, refined or enhanced in the course of or under the award. The awardee agrees that HCFA shall have royalty-free, nonexclusive and irrevocable rights to reproduce, publish or otherwise use and authorize others to use the items for Federal Government purposes.

Communication:

6. The State shall communicate with its HCFA regional office on SHIP activities, including training and education of SHIP staff and volunteers, promotion of the SHIP programs, and program application of SHIP grant funds. SHIP programs are expected to participate in

DO NOT REMOVE

HCFA public education initiatives, partner with other HCFA-supported entities, and support Regional Office outreach efforts.

7. The State awardee is required to attend the annual SHIP national conference. The awardee shall make a good faith effort to attend conferences or alternative events sponsored by its HCFA Regional Office. Awardees will participate in other Regional Office activities (e.g. teleconferences, in-state meetings).
8. The State shall use a portion of its grant award to establish the capability to send and receive electronic mail(e-mail) through the Internet. The awardee shall be expected to send and receive information through E-mail, and download information from the Internet whenever requested by the Project Officer or designee.
9. State SHIP project directors, or their designees, will attend all HCFA teleconferences provided that Project Office or designee provides notice of the teleconference at least three weeks prior to the teleconference.
10. State awardees will provide the Project Officer with a calendar of major events that will be updated on a monthly basis. A major event is defined as a particular event that is at least one of the following: (I) expected to be attended by more Medicare beneficiaries than any other SHIP-related event each month, (II) utilizes a unique forum for conveying information (e.g. cable television, radio reading services), (III) is co-sponsored by a statewide coalition of HCFA partners, (IV) is intended to reach the beneficiaries across the state or throughout a major metropolitan area. States are expected to accommodate this condition of the grant either by directly inputting information about major events into the Medicare Beneficiary Outreach calendar or by other mechanisms offered by HCFA. The Project Officer, or designee, will be available to assist the State awardees in using this electronic calendar.

Administrative:

11. HCFA may suspend or terminate any grant in whole, or in part, at any time before the date of expiration, whenever it determines that the awardee has materially failed to comply with the terms of the grant. HCFA will promptly notify the awardee in writing of the determination and the reasons for the suspension or termination, together with effective date.
12. The Project Officer does not have the authority to and may not issue any technical direction which: (I) constitutes an assignment of additional work outside the general scope of the grant, or (II) in any manner causes an increase or decrease in the total estimated cost.
13. The awardee shall assume responsibility for the accuracy and completeness of the information contained in all technical documents and reports submitted. The HCFA

project officer shall not direct the interpretation of the data used in preparing these documents and reports.

14. The funds under this grant cannot be used to support any legal action taken against the federal government.
15. All awardee materials funded either solely or in part by the Federal grant must include an acknowledgment that materials are funded solely or in part through a grant from the Health Care Financing Administration.
16. The State shall closely monitor contractor activities and contractor use of SHIP grant funds. The State shall also provide HCFA with a description of the contractor's activity and budget.
17. The State shall inform the project officer of all address changes and changes in phone number (including State toll free lines) immediately upon learning of the change.

Beneficiary Protections:

18. The awardee shall update the plan originally submitted in the first grant year (9/28/92-9/27/93) describing steps undertaken by the awardee to protect the confidentiality of all project-related information that identifies individuals. The plan must specify that such information is confidential, that it may not be disclosed directly or indirectly except for purposes directly connected with the conduct of the project, and that informed written consent of the individual must be obtained for any disclosure. This plan shall be sent to the Project Officer within 90 days of grant award.

Personnel:

19. The State's SHIP project director, as designated by the HCFA project officer, is considered to be key personnel and essential to the work being performed on SHIP activities. Prior to altering the levels of effort of any of the key personnel among the various activities for this project, or to diverting those individuals to other projects outside of the scope of this award, the awardee shall notify the HCFA Grants Officer and the HCFA Project Officer reasonably in advance and shall submit justification (including name and resume of proposed substitution) in sufficient detail to permit evaluation of the impact on the project. No alteration or diversion of the levels of effort of the designated key personnel from the specified activities for this project shall be made by the awardee without the approval of the HCFA Project Officer.
20. State awardees will notify the Project Officer of changes in key personnel no later than one week after this change has occurred. Awardees will also notify the appropriate HCFA Regional Office and SHIP Resource Center prior to changes in key personnel.

Supplemental Medicare+Choice Grant:

21. The State shall use the Supplemental Medicare+Choice grant funds to expand and/or enhance its capability to receive and respond to telephone inquiries by or on behalf of beneficiaries regarding Medicare+Choice program matters. This may include creation of a SHIP dedicated toll-free line and/or increased telephone coverage.
22. The State shall use the Supplemental Medicare+Choice grant funds to enhance its volunteer recruitment and its ability to train, support and retain volunteer. Use of the funds for additional staff for this purpose is appropriate.
23. The State shall use the Supplemental Medicare+Choice grant funds to enhance its ability to access the most current plan comparison information and Medicare+Choice program material and disseminate that information to beneficiaries and those acting on their behalf. Essential in this regard is Internet access and download capability at the local sponsor level.
24. The State shall use the Supplemental Medicare+Choice grant funds to expand its outreach capabilities and/or to pilot innovative outreach initiatives that focus on the Medicare+Choice program. Special effort should be made to reach vulnerable and underserved populations.

Foreword

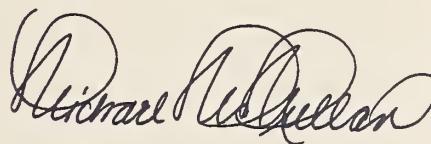

Though only eight years old, the State Health Insurance Assistance Program, or SHIP, has matured into a significant national program that offers one-on-one counseling and assistance to people with Medicare and their families on a wide array of important topics, including:

- ♦ Health plan and supplemental insurance selection,
- ♦ Claims and billing problem resolution,
- ♦ Long-term care insurance and costs,
- ♦ Public benefits programs for those with limited income and assets.

With the creation of the Medicare+Choice program and the increasing complexities of private insurance options for retirees, SHIP services are in ever-greater demand.

Nationally, the SHIP network consists of 53 state grantees (all 50 states plus Washington, D.C., Puerto Rico, and the Virgin Islands) supported by the Health Care Financing Administration, the Federal agency that administers the Medicare Program. These grantees, in turn, have developed a service delivery network of nearly 1,000 community-level sponsoring organizations, and over 12,000 counselors—most of whom are volunteers. This network serves over 2 million people a year with about 1.2 million of those served through one-on-one, in-person and over the telephone counseling sessions, and approximately 800,000 served through SHIP presentations and public education programs. In addition, SHIPs help beneficiaries through approximately 20,000 outreach events and media activities conducted annually.

Although they are known by different names in different States—SHIP, SHINE, SHIBA, HICAP, etc., *The SHIP Profiles Book*, provides information on this valuable nationwide resource to people with Medicare and public servants who assist them. This book provides a better understanding of the SHIPs and will serve as a useful reference.

Introduction

The *State Health Insurance Assistance Program (SHIP): Profiles of the 53 SHIP Grantees* was produced by the Health Care Financing Administration (HCFA) as a referral guide. This guide provides basic information about SHIPs and can be used when referring people with Medicare and others to SHIPs for help with their questions about Medicare and other health insurance. As Medicare becomes more complex and health plan options increase, these counseling programs can provide invaluable information to people with Medicare and their families when important health insurance decisions must be made.

For ease of use, each profile in this guide is organized into two sections. The first section provides general information about each state program, including its specific program name. The second section offers a quick reference list of the local organizations offering SHIP services, their locations, and how to contact them.

At the time of printing, information contained in this guide was correct. Names and telephone numbers sometimes change. To get the most updated information to contact a SHIP, call 1-800-633-4227 (TTY/TDD: 1-877-486-2048 for the hearing and speech impaired) or go to the Internet at www.medicare.gov and click on "Important Contacts."

Overview of the State Health Insurance Assistance Program (SHIP)

What is SHIP?

The State Health Insurance Assistance Program, or SHIP, is a national program that offers one-on-one counseling and assistance to people with Medicare and their families. Through grants directed to states, SHIPs provide free counseling and assistance via telephone and face-to-face interactive sessions, public education presentations and programs, and media activities.

How did the SHIPs start?

SHIP (formerly the Information, Counseling and Assistance (ICA) Grants Program) was created under Section 4360 of the Omnibus Budget Reconciliation Act (OBRA) of 1990 (Public Law 101-508). This Act authorizes the Health Care Financing Administration (HCFA), the Federal Medicare agency, to make grants to states for health insurance advisory services programs for people with Medicare. Currently, there are SHIPs in all 50 states plus Washington, D.C., Puerto Rico and the Virgin Islands.

How are the SHIPs funded?

SHIPs are funded through annual grants from HCFA. Currently, Federal funding is approximately \$17 million annualized spread across the 53 programs. Many states and local communities contribute additional funding and in-kind services in support of the programs.

Grant funding is available for SHIPs to plan and operate a variety of information, counseling, and assistance activities. States have wide latitude in providing SHIP services. However, programs must offer services to all eligible persons requesting assistance, develop an intra-state agency referral system, and communicate timely and accurate health care information.

What kinds of help do SHIPs provide?

The SHIPs were originally established to address the confusion caused by the increase in choices of Medicare supplemental insurance, or Medigap. Since the program's inception, however, the role of the SHIPs in serving people with Medicare has greatly expanded. Today, trained counselors offer information, counseling and assistance to Medicare beneficiaries on a wide range of Medicare and Medicaid, and Medigap matters, including, Medicare+Choice health plan options, long-term care insurance, claims and billing problem resolution, information and referral on public benefit programs for those with limited income and assets, and other health insurance benefit information. In addition, SHIPs also support efforts to inform Medicare beneficiaries about fraud and abuse.

Who are the SHIP counselors?

SHIPs are principally made up of a network of volunteers supported by local sponsoring organizations. Paid staff manage these local programs and serve as SHIP counselors. Under the direction and support of state program directors and trainers, SHIP counselors receive extensive training and continuous ongoing information updates about Medicare and other health insurance topics.

Currently the SHIP network nationwide includes close to 1,000 sponsoring organizations supporting over 12,000 counselors (mostly volunteers) and staff. Last year alone, the SHIPs served in excess of 2 million Medicare beneficiaries, with about 1.2 million of those served through one-on-one, in-person and over the telephone counseling sessions and approximately 800,000 served through SHIP presentations and public education programs. In addition, SHIPs help beneficiaries through approximately 20,000 outreach events and media activities conducted annually.

How can a SHIP counselor be contacted?

State and local SHIP organization and phone numbers are listed in this guide. In addition, you can be referred to your State's SHIP by contacting 1-800-Medicare and asking for health insurance counseling.

PROGRAM SUMMARY	Alabama's State Health Insurance Assistance Program (SHIP) has existed since the inception of the SHIP federal grant program and is directed by Alabama's Commission on Aging (ACOA). SHIP staff at the ACOA include a part-time Project Manager, a part-time public education coordinator, and a part-time long term care specialist. SHIP assists beneficiaries through a dedicated toll-free line that directs calls to the appropriate local Area Agency on Aging. Thirteen local points of service are managed by Area Agencies on Aging (AAA). The SHIP is initiating activities to increase services in "hard to reach" areas focusing on the rural elderly and low-income minorities. A new partnership with Historically Black Colleges and Universities targets underserved populations.

PROGRAM SUMMARY

The Alaska Medicare Information, is a part of the Division of Senior Services (DSS) under the State of Alaska Department of Administration. AMI works directly with local grantees to provide services via a system tailored to fit Alaska's challenging geographic terrain and unique and distinct population. Nearly half of Alaska's Medicare population lives within a hundred miles of Anchorage, the other half is scattered over 585,000 square miles of difficult terrain. Information flows from AMI in various ways: by mail, fax, phone, internet, publication in the Senior Voice, news release to radio stations (where it is translated into local native languages), printed handouts, and live presentations. A central office counseling staff in Anchorage can be accessed by a toll-free number.

PROGRAM SUMMARY	Arizona's Medicare Information and Referral program is located in the Elder Rights Unit of the Aging and Adult Administration under the state's Department of Economic Security. The program provides assistance to 15 counties and 20 tribes through 8 Area Agencies on Aging (AAA). A full time program coordinator and assistant operate the toll free line and TDD line with the help of ten volunteers. The Arizona Beneficiary Coalition (ABC), a partnership with other related agencies, circulates a newsletter to 55,000 beneficiaries, providers and advocacy groups. In-home and on site counseling services as well as the addition of bilingual volunteers support the SHIP's efforts to expand outreach to the underserved including tribal, rural and minority communities.

PROGRAM SUMMARY	Seniors Health Insurance Information Program (SHIIP) is centrally administered by the Arkansas Insurance Department. Five paid staff members oversee 8 regional volunteer coordinators around the State. While Arkansas' SHIIP program is centrally located, there are several local sponsoring sites that concentrate on rural areas. SHIIP can also be reached through its recently implemented toll-free line. Special materials and programs to meet the special needs of Arkansas' growing Spanish-speaking population are being developed.

PROGRAM SUMMARY

The California Department of Aging (CDA) is responsible for the statewide administration of the SHIP which is delivered through the Health Insurance Counseling and Advocacy Program (HICAP). Twenty-six of California's 33 Area Agencies on Aging (AAAs) are responsible for oversight of local HICAPs. Seventeen of the AAAs contract for HICAP services; the remaining 9 provide service directly. HICAP services are available in all of California's 58 counties. HICAP services can be accessed via a toll free line or personal visits to homebound beneficiaries.

PROGRAM SUMMARY	Colorado's SHIP program falls under the Colorado Division of Insurance (DOI). The DOI provides phone counseling, maintains a Medicare supplement price comparison database, and operates a website with information for Medicare consumers. Colorado's SHIP partners with Centura Health Insurance Counseling for Seniors (CHICS) to operate the 1-800 SHIP counseling line and develop consumer publications. Colorado SHIP also provides small grant awards to regional organizations (usually AAAs or retired and senior volunteer programs) around the State, covering all but 7 rural counties.

PROGRAM SUMMARY

Connecticut's SHIP program is under the direction of the Elderly Services Division of the Department of Social Services (DSS), which is partnered with its Area Agencies on Aging (AAA), the Center for Medicare Advocacy, Inc. (CMA) and other network organizations. CHOICES operates through Connecticut's 5 regional AAAs that utilize a network of senior centers, municipal agents, and social services organizations statewide. CMA, a national non-profit organization, provides legal and educational assistance to program staff and volunteers, network organizations, and beneficiaries and conducts extensive outreach through a State-funded contract with the DSS. Volunteer and paid staff operate a statewide toll-free number and provide educational outreach and support to statewide organizations.

PROGRAM SUMMARY

ELDERinfo is administered by the Division of Services for Aging and Adults with Physical Disabilities (DSAAPD) which contracts with the Insurance Department to operate a statewide toll free line and provide counseling. ELDERinfo mails insurance information to Delawareans as they reach 65. In an effort to reach underserved populations, partnerships have been formed with the Coalition of Black Churches, the Latin American Community Center, the Federation for the Blind, and CareVan (a mobile information and assistance program).

PROGRAM SUMMARY

The D.C. Office on Aging contracts with the George Washington University Law School to provide services through the Health Insurance Counseling Project (HICP). HICP is one of several programs administered by the Law School Legal Clinics. Its unique setting complements the service to clients by offering legal support from lawyers, paralegals and law students. HICP provides additional help to beneficiaries in difficult financial situations through the Medical Bill Project and the Indigent Prescription Program.

PROGRAM SUMMARY	Florida's Department of Elder Affairs provides administrative and management support for the SHIP program. The Area Agencies on Aging serve as partners with the Area Volunteer Coordinators in developing and overseeing the program and arranging for training for SHINE volunteers. The Elder Helpline toll-free number provides access to counseling state wide. SHINE is translating outreach and training materials in Spanish and has projects designed to reach Florida's diverse populations, such as a van sweep in counties identified as lacking in health care providers and falling in the low literacy category, a church outreach targeting the non-English speaking population, and a media blitz in both Spanish and English.

PROGRAM SUMMARY

HICARE is administered through the Georgia Department of Human Resources Division of Aging Services. In operation since 1992, it has 4 full time staff who oversee a contract with 11 Area Agencies on Aging (AAA) across the state. A primary entry point into the HICARE program is through a nationwide telephone hotline published in state and national Medicare and SHIP publications. Additionally, each of the 11 AAAs supplies local information numbers for people with Medicare in their areas; four AAAs provide a toll-free number that is answered locally. To reach non-English speaking residents, HICARE is working on brochures and information materials in several languages, including Spanish, Portuguese, Russian, Vietnamese and Chinese. In 1999, HICARE established a webpage through the Georgia Division of Aging Services' website.

PROGRAM SUMMARY	SAGE PLUS is part of the Executive Office on Aging (EOA) under the administration of the Hawaii State Department of Health. SAGE PLUS has been in operation since 1992 and has two full-time paid staff and 37 active volunteers representing every county in the state and covering all islands. The primary point of entry is through a dedicated phone line at the Executive Office on Aging. Counseling, outreach activities and materials are provided in a number of languages including English, Korean, Filipino and Japanese. To promote awareness of the program, SAGE PLUS uses a variety of media outlets including radio, the internet and newspapers as well as a toll-free telephone service, known as SAGE line which provides basic Medicare messages in 8 languages.

PROGRAM SUMMARY	SHIBA has been administered by the Department of Insurance since 1986. Four regional coordinators work with a network of county and local officials to provide counseling services. Targeted outreach is provided to Hispanic and Native American beneficiaries in cooperation with the Idaho Migrant Council and the Northern Arizona University. Historically, SHIBA has offered a toll-free line for each of the four regional service areas, but has consolidated these into one toll-free line.

PROGRAM SUMMARY	SHIIP provides counseling through a partnership with 74 non-profit organizations most of which are senior centers, Area Agencies on Aging, and hospitals. SHIIP is administered by the Department of Insurance by a full-time State Director who supervises 3 regional managers and an educational consultant, among others. A toll-free line and website are available. The State Director and 5 counselors are fluent in Spanish and plans have been made for members of a Chinese American church in Indianapolis to be trained to offer counseling.

PROGRAM SUMMARY	The Iowa Senior Health Insurance Information Program (SHIIP) operates under an interdepartmental agreement between the Iowa Department of Elder Affairs and the Iowa Insurance Division in the Department of Commerce. SHIIP, in operation since 1990, has 3 full-time and 4 part-time staff, 200+ volunteers and 76 sponsors statewide. Volunteers provide face-to-face counseling in 74 of 99 counties. SHIIP has an Internet website and a toll-free consumer hotline operating 8:00 a.m.- 4:15 p.m., Monday-Friday. A bulletin is mailed to all Iowans three months prior to their 65th birthday. Consumer guides on a variety of topics are available to the public free of charge. SHIIP also contracts with two Hispanic organizations to provide services to Spanish-speaking beneficiaries in a multi-county area and works with the Department of the Blind to provide materials on tape or to translate in Braille.
ADDITIONAL DATA	Volunteer Counselors: 220 State Staff (Paid) PT/FT: 3 Full Time & 4 Part Time Total Counties: 99 Number of Counties Served: 74 Number of local sponsoring organizations: 73

PROGRAM SUMMARY

Senior Health Insurance Counseling for Kansas (SHICK) is administered by the Kansas Department of Aging with daily operation through the Kansas Insurance Department, Consumer Assistance Division. SHICK staff include one half-time project director, two full-time staff and one half-time intern whose primary responsibilities are to provide support to 12 sponsoring organizations under annual contract with the SHICK program. Volunteers are available for each of the state's 105 counties. Through Internet access and fax technology, SHICK staff can communicate the latest information to even the most rural locations. SHICK also publicizes its webpage and toll-free hotline to reach people with Medicare. The toll-free line will soon have an area code routing system to relay calls to the assigned contact or exchange anywhere in the state.

PROGRAM SUMMARY

The Kentucky State Office of Aging contracts with 15 Area Development Districts (ADDs), the state's designated area agencies on aging in Kentucky. Four ADDs directly provide SHIP services, ten subcontract with legal service providers and one provides services through local senior citizen centers. The State also employs a part-time 3-member Information Team and 2 full-time members trained to dispense basic SHIP information in tandem with SHIP counselors. Access to SHIP services are available through a statewide toll-free telephone number and website that contains SHIP linkages. Emphasis is also placed on reaching special populations including the deaf and hard of hearing, visually impaired and Hispanics through extending counseling opportunities in non-traditional settings and providing population-appropriate materials such as Spanish language and Braille brochures.

PROGRAM SUMMARY

The Senior Health Insurance Information Program (SHIIP) is administered by the Office of Health Insurance, which is part of the Louisiana Department of Insurance. While counseling services are provided by State program staff through telephone or in person, SHIIP services are performed primarily through local sponsoring organizations. Most of the sponsors are located east of the Mississippi River where the majority of the senior population resides. SHIIP is expanding its presence in northern and western Louisiana, as well as in the cities, in an effort to serve vulnerable and underserved seniors. SHIIP publications are available on a website maintained by the Department of Insurance for SHIIP.

PROGRAM SUMMARY	While the Maine SHIP grant is administered by the Bureau of Elder and Adult Services (BEAS), the program is actually a partnership between the BEAS, five area agencies on aging (AAA), the Bureau of Insurance, and the Legal Services for the Elderly (LSE). The Program Manager is responsible for program administration, and training activities as well as project coordination among the partners. Counseling and outreach activities are performed primarily by and at the AAAs. Staff attorneys at the LSE Hotline counsel beneficiaries by phone and refer them to AAAs if face-to-face assistance is required, while the Department of Insurance furnishes relevant publications and offers consultation and training support.

PROGRAM SUMMARY

The Maryland Department of Aging's (DoA) Senior Health Insurance Assistance Program (SHIP) has been in operation since 1987. The Maryland SHIP is part of the DoA's Client/Community Services Division. SHIP funds are granted to all 19 Area Agencies on Aging (AAAs) that serve Maryland's 24 jurisdictions (23 counties and Baltimore City). A part time state program director oversees 19 local SHIP coordinators. SHIP services originate at one of two points of entry: through the DoA's toll-free or through a local access telephone system, and may either be directly assisted by the SHIP Program Director or referred to the local SHIP. Maryland's Curb Abuse in Medicare and Medicaid Program (CAMM), started in 1997 and funded by the Administration on Aging, has been a significant partner with the SHIP to train and educate counselors and the public on issues related to Medicare and Medicaid fraud, abuse and waste.

PROGRAM SUMMARY

The Massachusetts Executive Office of Elder Affairs (Elder Affairs) administers the SHIP in partnership with 17 regional subcontracting agencies, including municipal councils on aging and area agencies on aging. Paid state staff oversee the local sponsoring organizations which are managed by paid part time regional program directors and supported by volunteer counselors. Initial certification training is provided by the state's authorized trainers, including state staff. Ongoing monthly training, as well as regional publicity and outreach, is conducted by the regional program directors. Beneficiaries access services through a statewide toll-free telephone system which routes calls to the nearest local sponsor or by calling or local counseling site and scheduling an appointment.

PROGRAM SUMMARY

MMAP is administered by the Michigan Office of Services to the Aging which contracts with the Area Agencies on Aging Association of Michigan to provide counseling. Forty-six volunteer coordinators are supervised by a statewide coordinator and an assistant. MMAP maintains an international toll-free line routing callers to the nearest MMAP office and has contracted with the Saginaw-Chippewa Indian tribe in a special outreach effort.

PROGRAM SUMMARY	Health Insurance Counseling (HIC) was created in 1993 under the Minnesota Board on Aging which houses a fulltime coordinator for 52 local programs. A part-time Medicare+Choice coordinator works with the Medicare Aware Alliance, which includes SSA, Medicare contractors, State Insurance Department and Medicaid offices, to assist HIC counselors in understanding Medicare+Choice issues. Minnesota's participation in Operation Restore Trust has provided HIC counselors with skills in fraud identification and reporting techniques. A nationally accessible toll-free phone number, the Senior Linkage Line, is part of the information and assistance network that refers calls to the HIC program. Special outreach to the underserved includes Spanish and Hmong language services, assistance to residents of HUD housing sites, and county advocates to reach rural communities. Other outreach efforts targeting the low income elderly include QMB/SLMB & The Senior Drug Program.

PROGRAM SUMMARY

Mississippi's Insurance Counseling and Assistance Program (MICAP) is administered through the Department of Human Services, Aging and Adult Services Division. At the state level, a full time coordinator provides technical support and training. Local services are provided by 10 Area Agencies on Aging (AAA), each staffed by a full-time local coordinator. MICAP services are accessed via a nationwide toll-free line that directly routes the call depending on the caller's location. Mississippi's geography presents a challenge as MICAP works to reach underserved populations. Activities targeted to reach rural beneficiaries include hosting health fairs, partnering with churches and post offices in rural areas, and developing plain language materials

PROGRAM SUMMARY The Missouri Department of Insurance subcontracts services for the Community Leaders Assisting the Insured of Missouri (CLAIM) Program to the Missouri Patient Care Review Foundation (MPCR). CLAIM has six full and part-time staff, including a director of communications/education, the program administrator, two training specialists, a customer service representative, and a customer service counselor. Most local sponsors are hospitals, with satellite counseling services in other accessible locations. CLAIM maintains a nationwide toll-free hotline, equipped with an automatic response unit available 9:00 a.m. to 4:00 p.m. weekdays.

PROGRAM SUMMARY

The Nebraska Health Insurance Counseling and Assistance (NICA) Program, part of the Nebraska Department of Insurance, contracts directly with two Area Agencies on Aging (AAA) and three independent groups to provide beneficiary assistance. Five regional representatives are responsible for volunteer counselors in their area. The NICA program office employs two full-time staff, a program coordinator and a program specialist. A toll-free telephone number routes beneficiaries to the regional office closest to them.

PROGRAM SUMMARY The State Health Insurance Assistance Program is administered by the New Jersey Department of Health and Senior Services, Division of Senior Affairs, which contracts with each of New Jersey's 21 Area Agencies on Aging to oversee SHIP activities at the local level. Some counties have specific sites where counselors are available on given days of the week at given times. Other counties provide locations for counselors to meet with clients as needed. A toll-free line is staffed by trained staff. Administrative staff and local programs conduct many outreach and educational events.

PROGRAM SUMMARY

The Health Insurance and Benefits Assistance Corps (HIBAC) Program is administered by the State Agency on Aging which contracts with six Area Agencies on Aging (AAA). Two centrally based managers and one information specialist support 3 part-time regional coordinators employed by the AAAs. The HIBAC Program utilizes senior center or AAA offices for program counseling services. A toll-free line is staffed by volunteers and staff located at the State Agency on Aging office. HIBAC conducts a door-to-door public benefits outreach and screening initiative for local residents as well as Native American elders.

PROGRAM SUMMARY

The New York Health Insurance Information, Counseling and Assistance Program (HIICAP) is run by the State Office for the Aging. The program administers grants to 54 local area agencies on aging to operate counseling programs. HIICAP also operates a highly developed web site including links to related sites such as www.medicare.gov. They also have a hot line that is not only available to consumers 20 hours per week, but provides technical assistance to counselors as well. The HIICAP team produces a newsletter called the HIICAP Clearinghouse that is circulated to 850 professionals and volunteers who provide counseling and assistance to Medicare beneficiaries.

PROGRAM SUMMARY

North Carolina's Seniors' Health Insurance Information Program (SHIIP) was created in 1986 as a division of the North Carolina Department of Insurance. The full-time SHIP staff includes a director, assistant director, 6 trainers, 3 communication specialists, an outreach coordinator, an administrative assistant and receptionist. SHIP can be reached via a statewide toll free line or at the 107 sponsored counseling sites across the state's 100 counties. There are 116 SHIP coordinators and 1138 SHIP volunteers serving these sites. Sponsoring agencies include County Council on Aging offices, NC Cooperative Extension Services offices, RSVP offices, senior centers, and hospitals. SHIP provides information to consumers through its volunteer network, its toll free line, and by developing educational materials for use by consumers. SHIP also reaches the community through its direct mailer to newly turned 65 year olds, its monthly consumer newspaper column, and appearances on live TV call-in programs such as "Open Net" and "Inside North Carolina". Recent outreach efforts to target special populations include distributing SHIP brochures and posters to African American providers, conducting a public forum for the Lumbee Indian Tribe, and participating in the North Carolina Mammography Coalition and the North Carolina Statewide Immunization Committee. SHIP is also training volunteers on Medicare-Aid programs for dual eligible in five eastern NC counties.

PROGRAM SUMMARY

The North Dakota Senior Health Insurance (SHIC) Program is administered by the state's Insurance Department. Staff consists of a Program Director and Program Assistant. The program has 70 trained counselors who are affiliated with over 30 sponsoring organizations (e.g. senior centers, hospitals, and nursing homes) in communities across the state. North Dakota's major promotional effort is a monthly mailing to licensed drivers turning 65 within four months. Between 350 to 400 packets of Medicare information are mailed to these pre-beneficiaries each month.

PROGRAM SUMMARY

The Ohio Senior Health Insurance Information Program (OSHIIP) is administered directly by the Ohio Department of Insurance (ODI). The program is centrally operated by a Program Director, hotline staff, and trainers. The program is supported throughout the State by volunteers. The local OSHIIP network is further supported by County Coordinators who are assigned specific counties. OSHIIP maintains a toll-free telephone system, a speakers bureau, and distributes 10 publications, six of which are also in Spanish and four of which are available in large print.

PROGRAM SUMMARY

Senior Health Insurance Counseling Program (SHICP) is administered through the Oklahoma Insurance Department (OID). SHICP is managed by 4 full-time and 1 part-time employees, including a director, two trainers, and administrative personnel. Volunteers are trained and supported by the OID staff. Local and toll-free telephone lines give beneficiaries access to SHICP throughout the State, and are a source of referral to volunteers when matters cannot be resolved over the phone.

PROGRAM SUMMARY	<p>State Health Insurance Benefits Assistance Program (SHIBA) is housed in the Consumer Protection Section of the Oregon Insurance Division and is staffed by two Field Officers who coordinate program activities with local sponsors located throughout the State. Field Officers work with local sponsoring organizations to recruit, support and train volunteers, develop and implement training curriculum, and develop and distribute various publications. The Field Officers also work with the local sponsoring organizations to conduct various outreach initiatives including seminars and other presentations, and answer questions received over a toll-free telephone line maintained by the State. The Field Officers oversee local sponsor operations and coordinate with State management and HCFA. Significant activities include publication of Your Medicare Supplement Insurance and the Oregon Consumer Guide to Medicare Supplemental Insurance and Managed Care Organizations. SHIBA also coordinates with HCFA's contractors and other organizations to present seminars throughout the State.</p>

PROGRAM SUMMARY

APPRISE is administered by the Division of Health and Consumer Education which is part of the State's Department of Aging. APPRISE is administered through three subcomponents, two of which oversee operations in Western and Eastern parts of the State, and includes coordination with local sponsorship in 52 Area Agencies on Aging located throughout the State. The third subcomponent operates a toll-free telephone system with call centers in 10 AAAs throughout the State. Training activities, development and distribution of resource materials, relationships with other key State agencies and organizations, and working with HCFA and its contractors, are coordinated at the State level. Counseling and assistance services are delivered to beneficiaries through the toll-free telephone system and directly at the AAAs. The telephone system offers language translation services and out of state access among its features. State grants to local sponsors fund a paid coordinator at each location and support other related SHIP activities. APPRISE has devoted significant energy in coordinating with large employers throughout the State which has enhanced information dissemination to beneficiaries as well as promote volunteer participation in the program.

PROGRAM SUMMARY

Rhode Island's Senior Health Insurance Program (SHIP) is administered by the Information and Education Division of the State's Department of Elderly Affairs (DEA). SHIP is linked with DEA's Customer Information Center which offers information and referral services through a toll-free telephone line. SHIP works with 16 local sponsors, mostly senior centers. Significant SHIP projects include publication of the Rhode Island Guide to Buying Medicare Supplemental Insurance and Medicare Managed Care Plans, which is updated frequently throughout the year. SHIP also coordinates with the State's elderly housing resident services coordinators which has become a significant referral source.

PROGRAM SUMMARY	The Department of Health and Human Services in partnership with the Department of Insurance houses the Insurance Counseling Assistance and Referral for Elders (I-CARE) in South Carolina. Under the Bureau of Senior and Long Term Care Services, I-CARE staff includes 2 state program coordinators and a program assistant who operates the toll-free line. Ten regional directors in the Area Agencies on Aging (AAA) are responsible for managing the program that exists in 46 counties across the state. At the county level, local coordinators handle day-to-day operations and manage 434 volunteer counselors. I-CARE extends its reach through visits to homebound and disabled and by placing volunteers in congressional offices.

PROGRAM SUMMARY

The Senior Health Information and Insurance Education (SHIINE) program of South Dakota is located in the Department of Social Services, Adult Services and Aging office. SHIINE operates with 115 volunteers in three field offices, headed by the state director and two full-time coordinators. The Volunteer Information Center operates the in-state toll free line and makes referrals to SHIINE staff in the field offices. SHIINE's outreach includes broadcasting presentations on public access television and the Rural Development Telecom Network, as well as obtaining information from SSA to target potential dual eligible beneficiaries.

PROGRAM SUMMARY	The State Health Insurance Assistance Program in Tennessee is operated through the TN Association of Legal Services (TALS), a private, non-profit organization that has existed for 25 years. Through a grant from the TN Commission on Aging, TALS subcontracts with 8 regional legal services offices throughout the state. The TN Department of Insurance Assistance Office for seniors operates a statewide toll free line with two staffers that refer calls to the local legal services offices. The local legal services projects rely on 25 volunteers, as well as 28 legal services staff members to provide counseling and assistance through the SHIP program. This network of local offices, volunteers and legal services staff are kept up to date through the "viTALS" newsletter, the Legal Services Guide to Medicare and Health Insurance, and regular trainings and communications from TALS. TALS extends its reach by training social workers and partnering with the Minority Applicant Pool System, public housing, food stamp programs, migrant worker programs, and minority churches. These partnerships and the location of several SHIP offices in rural areas enhance their efforts to reach under-served populations.

PROGRAM SUMMARY

The Texas Health Information, Counseling and Advocacy Program (HICAP) currently has 449 staff and volunteer counselors working throughout the state in 28 Texas State Area Agencies on Aging. The Texas Department of Aging subcontracts with the Texas Department of Insurance for training, publications, and resource production, as well as technical insurance expertise. The Texas Young Lawyers Association works with HICAP to provide free advanced planning seminars held in conjunction with pro bono clinics.

PROGRAM SUMMARY

Utah's Health Insurance Information Program (HIIP) is under the Department of Human Services, Division of Aging and Adult Services. A state program coordinator oversees 12 local Area Agencies on Aging that manage the activities of 102 volunteers. HIIP services are accessed primarily via telephone. An in-state toll-free line automatically routes callers to the appropriate local office. Reaching isolated populations such as Native Americans has improved with the inclusion of tribal representatives in training of HIIP staff as well as a subcontract with the Public Health Department that has regular presence on the reservation. A brochure describing HIIP services has been produced, also in Spanish, and will be mailed with the Medicare Summary Notice to promote awareness of the program.

PROGRAM SUMMARY	Vermont's Health Insurance Counseling and Assistance (HICA) is under the Department of Aging and Disabilities with statewide coordination provided by the Area Agency on Aging (AAA) in the Northeastern region. The Northeastern AAA employs a full time coordinator responsible for subcontracts with five local AAAs which have part-time directors. Senior Helpline, a statewide toll-free line, directs callers to local Information and Assistance staff at the AAAs. The HICA uses several strategies to target specific groups including traveling to reach homebound or rural beneficiaries and translating materials for French speakers. Assistance to the disabled population is enhanced by HICA's collaboration with the VT Center for Independent Living. Local directors and volunteers are updated through interactive televised training, and a chat room is in the works to promote increased communications among directors.

PROGRAM SUMMARY	SHIP services are provided through the Virginia Department for the Aging, which subcontracts with 24 local area agencies on aging (AAAs) to provide SHIP services in every community across the Commonwealth. A full-time state program coordinator oversees 24 local coordinators. Virginia's statewide SHIP Advisory Council, created when the SHIP was started in 1992, includes partner agencies, companies, volunteers and consumers. A coordinated referral system developed among partners provides beneficiaries more speedy and direct access to SHIP services.

PROGRAM SUMMARY

Washington's Statewide Health Insurance Benefits Advisors (SHIBA) Helpline has been in existence for more than 20 years under the Department of Insurance. Its core staff includes a program director, 7 trainers, 2 case coordinators, 1 outreach coordinator, 1 public information officer, and 3 administrative personnel. Recent additions include a case coordinator who will direct two new case workers, a Spanish-speaker, and another who is proficient with Asian languages. SHIBA Helpline provides assistance to consumers through its local community presence, including 350 volunteers and 25 local sponsors. ATT Language Line allows SHIBA to provide assistance to a variety of consumers. SHIBA Helpline participates in several initiatives including Brown Bag Drug Interaction events in partnership with pharmacists and Senior Medicare Patrol Projects to prevent fraud and increase consumer advocacy.

PROGRAM SUMMARY

SHINE was created in 1992 and is administered by a state director at the West Virginia Bureau of Senior Services, the state unit on aging. The state director oversees a regional counselor/trainer in each of the state's 4 area agencies on aging, which in turn contract with 55 aging programs/senior centers in each county in their region. Starting in 2000, each region will have a dedicated toll-free line, building on a SHINE state-wide 800 number. SHINE has made targeted outreach to dual eligibles a priority, as 36% of those beneficiaries eligible for buy-in programs in West Virginia have not enrolled.

PROGRAM SUMMARY

Wisconsin's SHIP has 2 components: a Medigap Helpline, a toll-free line available nationwide operated by the Board on Aging & Long Term Care, and a Benefits Specialist Program, which falls under the Department of Health and Family Services. The Helpline is staffed by 3 full time counselors and an intake/referral specialist. The Benefits Specialist Program makes available trained staff in each of 72 counties and 11 Indian reservations; these staff are supervised by public interest law attorneys. The Benefits Specialist Program, which receives substantial funding from the state and Older Americans Act funds, has used HCFA funding to provide extensive education and direct services on health benefits to minority, low income, homebound, and facility-residing beneficiaries in Milwaukee County, where half of the staff is fluent in Spanish. Native American elderly and disabled beneficiaries are the focus of targeted outreach supervised by attorneys working for Wisconsin Judicare, a legal services agency. Supplemental funding has been directed to the Elder Law Center of the Coalition of Wisconsin Aging Groups to extend its outreach to 65 of Wisconsin's 72 counties, especially training agencies to assist seniors in accessing www.medicare.gov.

PROGRAM SUMMARY	The Wyoming Department of Insurance subcontracts with Wyoming Senior Citizens, Inc. to provide SHIP services through its Wyoming Senior Health Insurance Information Program. The program operates out of offices in Casper, Cheyenne, and Wheatland; a full time program manager is based in Riverton. Five volunteers work on the Wind River Indian Reservation located at Fort Washakie; 2 Hispanic volunteers serve Hispanic beneficiaries in Carbon and Albany Counties. The SHIP has collaborated with other members of the Joint Outreach Information Network to produce the Health Benefits Information & Resources Directory for distribution throughout the state. The SHIP activity supports Savings for Medicare beneficiaries initiative.
